Graduation Requirements: Students with a passing grade in each course, who successfully complete the program of study and obtain an overall program Grade Point Average (GPA) of 1.7 or better shall be issued a credential.

You may reduce your course load and do fewer courses per term, but it will take you longer than four terms to graduate and you will incur additional costs.

Repeating Courses: Please review the [repeating courses policy](#), as there is a limit to the number of times you can repeat courses.

Practicum Placements

- You must submit fresh documents by the deadline for each term to be eligible for each practicum placement.
- You will be registered for each practicum and seminar when the Placement Coordinator has confirmed your eligibility, and you will be notified by keyanomail when it is complete.
- If you decline your placement, you move to the bottom of the priority list, and might not obtain a different placement in the same term.
- All placements will be located in the Fort McMurray area.
- Placements will be arranged by the College. Please do not approach day care operators on your own, as this will risk them not participating in practicums at all.

Not coming to Keyano after all?
